

Dear Early Care and Education Partner:

We are pleased to announce that the Department of Education, Office of Early Learning, and the Early Learning Coalition's board of directors approved a rate increase for all care levels. The increase was possible because of the strong partnership we have forged with you. That partnership allows us to invest more on direct child care services (slots) than any other ELC in the state. Collectively, we give tax payers a good value for their dollar. Children learn while parents work.

The increase went into effect March 1st. Our payment department will process adjustments to your March reimbursements to incorporate the increased rates.

Thank you once again for your partnership and for all your good work with children and families.

Sincerely,

Evelio Torres

Following is a table with a summary of the increase:
